TRAIN BEARING GUFFEY MOBBED

PITTSBURG, Pa., July 14.—A
special telegram from Effingham,
Illinois, tonight says: The train
bearing the Pennsylvania anti-Bryan
delegates from the Denver conven-
tion was attacked just as the train
was entering St. Louis on the Mis-
souri Pacific at 3 o'clock this after-
noon. On one side of the car, Pei-
mam, the last in the train, was a
stringer announcing that it con-
tained the Pennsylvania delegation.
It is believed person bitter against
Colonel James Guffey for opposing
Bryan planned the attack.

Suddenly there was a fusillade of
rocks, bricks and bullets from re-
volvers. William Schultz, O. E.
Maxwell and J. F. Curran of Wash-
ington, Pennsylvania, seated to-
gether on one side of the car, were
cut by flying glass.

Colonel Guffey was ill in a state-
room in the far end of the car and
escaped. Ever since leaving Denver
Guffey has been quite ill, the alkali
waste and intense heat having com-
pletely prostrated him. At Sedalia,
Missouri, the train was held while a
physician came aboard and attended
Guffey. His condition is not serious,
but it was deemed best to keep the
news of the attack from him. The
door of his stateroom was closed and
he did not know of the attack.

St. Louis terminal officials here
said tonight they had reports of an
attack on the Guffey train here-
abouts although they had men sta-
tioned all along the line in St. Louis
and vicinity.

BRUTAL MURDER IN ELKO

FRANK WHITTAKER, WELL
KNOWN IN NEVADA, KILLED
BY JACK DOLAN.

(By Associated Press.)
ELKO, Nev., July 14.—In a dis-
pute between two men over the car-
ing for graves in the local cemetery,
Jack Dolan shot and killed Frank
Whittaker in the burying ground
here today. Whittaker, the mur-
dered man, was well known in the
state of Nevada. He was aged 70
years. His wife died in 1865 and at
that time he was rated as being
worth \$100,000. After the death of
his wife he began to speculate in
mining stocks and was very unfortu-
nate. Before he had squandered his
fortune he gave each of his sons sev-
eral thousand dollars and told them
to start out and make a living for
themselves.

Jack Dolan, the murderer, is a
man with a record, having been in
jail several times for various of-
fenses.

The murder is considered one of
the most cruel that has ever occurred
in this state and no maudlin sym-
pathy will be shown the culprit who
is now in jail where he is held await-
ing trial on the charge of murder.

(By Associated Press.)

TACOMA, Wash., July 14.—O. C.
Mathis, self-confessed bank wrecker
of Blaine, Washington, was sen-
tenced to from one to fourteen years
in the state penitentiary and fined
\$100 by Judge Kellogg in the su-
perior court at Bellingham yester-
day. Mathis took his sentence calm-
ly. When asked, prior to its pro-
nouncement, if he had anything to
say, he replied: "No." At his side
was his wife, who has stood by him
from the start, and his sister-in-law.
Neither of the women seemed much
affected by the sentence.

Mathis was cashier and half-owner
of the Exchange bank of Blaine
when it closed its doors last winter
during the financial flurry. Later
Mathis disappeared, and then it was
discovered that he had forged school
warrants. Mathis was trailed into
British Columbia and finally cap-
tured at Ashcroft.

tion of Miners Favors a
Working Agreement With
the United Mine Workers
of America.

(By Associated Press.)

DENVER, July 14.—In an address to the Western Federa-
tion of Miners, delivered at the annual convention here today,
President Charles Moyer favored a working arrangement be-
tween the organization and the United Mine Workers of Amer-
ica, and declared that he would not oppose affiliation with the
American Federation of Labor, though he did not consider it
advisable. He urged peaceful methods of reaching a working
agreement with employers, deplored the calling of strikes un-
necessarily and recommended changes in the constitution requir-
ing local unions to consult with the executive council before or-
dering a strike. Reports showed a considerable decrease in the
federation's membership during the last year.

LOS ANGELES FOR THE ELKS NEXT YEAR

(By Associated Press.)

DALLAS, Texas, July 14.—The Benevolent and Protective
Order of Elks today elected its list of officers, headed by Rush L.
Holland of Colorado Springs, Colorado, as grand exalted ruler.
The selection of the 1909 convention city was hotly contested by
Los Angeles and Detroit, the former winning by a large major-
ity. The annual report of Grand Exalted Ruler John Turner of
Charleroi, Pennsylvania, showed that during the year the lodges
received by affiliation or initiation 46,345 members, suspended
and expelled 264, stricken from the rolls for non-payment of dues
8208. Forty-four new lodges have been added with an increase
of 29,789 in membership, making the total number of lodges to-
day 1125, and total membership, 283,321. The grand treasur-
er's report shows a balance on hand of \$100,000.

Prohibitionists Are Gathering in Ohio

(By Associated Press.)

COLUMBUS, Ohio, July 14.—With a majority of the 1500
delegates to the Prohibition National convention and many more
visitors this city tonight has taken on a real convention aspect.
All day the Prohibition hosts marched the streets, every incom-
ing train bringing them by scores. Escorting delegations from
the union station to the hotel to which they were assigned had
a decorated water wagon drawn by eight white horses, emble-
matic of the eight prohibition states of the union was followed
by a mule labelled "Missouri two-thirds dry." This made a hit
with the delegates and visitors. The convention opens at 10
o'clock tomorrow morning in Memorial hall. Charles Jones of
Chicago, chairman of the National committee, will call the con-
vention to order. Robert Patton of Illinois, as temporary chair-
man, will deliver the keynote speech. There will be three ses-
sions tomorrow if the present plan carries. A platform will be
adopted at the third, leaving only the nomination of the ticket
for Thursday's session.

worth of bonds with interest was filed in the United States cir-

former governor of Utah, against the Southern Pacific railroad

POLICE ON TRAIL OF FIEND

GREEK CONFESSES THAT HE
AND HIS BROTHER BLEW
UP GALLAGHER'S HOME.

RENO, July 14.—Police officials
here are looking for Peter Claudian-
es, a Greek alleged to be impli-
cated in the wrecking of the home of
Jim Gallagher at Oakland. It was
believed that Claudianes is in the
southern mining camps, but a de-
tective from San Francisco believes
he is hiding in Reno, and will be ar-
rested shortly.

The brother of Claudianes was ar-
rested in San Francisco and con-
fessed that he blew up Gallagher's
home in Oakland. He said that his
brother, Peter, had planned the deed
and was to be paid for his fiendish
act. He refused to give the names
of the parties back of the crime.
Another of Gallagher's residences
was blown up and four persons lost
their lives. As yet the police have
not traced this to the Claudianes.

TAFT'S LETTER OF ACCEPTANCE

HOT SPRINGS, Va., July 14.—

Judge Taft will begin the dictation
of his speech of acceptance this
morning. He will spend the en-
tire week at it and will receive no
visitors. That length of time is not
to be devoted to writing the speech,
but, as he said today, "To make it
short enough."

"I found in my experience on the
bench," he continued, "that it was
easier to write a long opinion than to
put the same argument in fewer
words. The speech should be short,
and I approached the task with a
feeling that saying what I want to
say in comparatively brief space will
be hard work."

Taft has decided upon what he
wants to say. He completed the
outline of his speech today. It will
make the overshadowing issue de-
struction versus good government.

The speech will begin with a re-
view of the history of the Republi-
can party and the vindication of its
principles in the general prosperity
which their application has brought.
He will refer also to the proof of the
integrity of the party as seen in the
fulfillment of its promises. He will
parallel this with a review of the
past Democratic platforms, policies
and promises, with a summing up
which will indict them, especially as
reviewed in the light of the leader-
ship of Bryan. This leadership he
will say has been populist, socialis-
tic, demagogic, and revolutionary.

EXONERATED BY CORONER'S JURY

REDDING, July 14.—A corner's

Montgomery for killing Rene Rim-
bault yesterday at Keswick, finding
that he acted not only in self de-
fense, but in the line of duty as an

was enforcing.

VESSEL REACHES NOME IN SAFETY

NOME, Alaska, July 14.—The
steamship Ohio with 500 passengers
on board has arrived here, conveyed
by the revenue cutters Thetis and
McCulloch. She has been forty-one
days from Seattle, having in the
meantime spent nearly a month in
the ice floes of Bering sea. The Ohio
has a small hole at her water line
which comes from her bumping the
ice.
On account of the length of time
the ship was at sea all the ship's
stores were consumed and it was
necessary to broach the cargo.

JAPAN AGAINST TROUBLE

AMERICAN AMBASSADOR SAYS
ABSURD TO THINK MIKADO
WANTS WAR.

(By Associated Press.)

SAN FRANCISCO, July 14.—
—Thomas J. O'Brien, Ameri-
can ambassador to Japan, ar-
rived today from Tokio on the
steamer Korea. Mr. O'Brien
will leave for the east Thurs-
day. In an interview with a
representative of the Associated
Press the ambassador stated
that it was absurd for Ameri-
cans to think Japan wants war
with this country. Japan is
sincerely trying to enforce the
restriction of emigration to
America, and thus remove any
cause of friction on that ques-
tion. The visit of the American
battleship fleet is looked for-
ward to with much pleasure.
Great preparations are being
made to entertain the officers
and men. The entire Japanese
navy will be mobilized at the
time for its annual review.

STOCK MARKET IS AGAIN DULL

(By Associated Press.)

NEW YORK, July 14.—The stock
market showed a tendency to slip
back into the rut of dullness from
which last week's animated dealing
had stirred it until the persistent
strength of the market prompted
renewed outburst of buying in fin-
dealings. In spite of the early du-
ness there was a conspicuous suc-
cess of offerings in stocks. Bond
were heavy.

in the Stanley Peek murder
trial was out thirty minutes and
returned a verdict of not guilty
for the killing of Angelo S.
tero, who it is alleged he
